FORNITURE PER L'AUTOMAZIONE

25
Promotech

*TENIAMO A VOI
DA 25 ANNI*

Chi Siamo

Who We are

La società PROMOTECH nasce con l'intento di soddisfare le più svariate problematiche legate all'automazione attraverso la fornitura di materiali elettrici, elettronici, servomeccanici ed informatici.

PROMOTECH è una azienda leader specializzata nella distribuzione ad ampio raggio di materiale per l'elettrotecnica di M.T. e B.T.

La pluriennale esperienza e la profonda conoscenza delle problematiche di settore, consentono di fornire, attraverso una appropriata selezione qualitativa, prodotti certificati in una vasta estensione di gamme e tipologie con il fine di soddisfare le complesse esigenze del mercato e delle normative vigenti.

Oltre alla vendita di prodotti, PROMOTECH fornisce alle aziende anche un supporto di consulenza hardware e software per i suddetti settori operando su tutto il territorio nazionale e internazionale.

PROMOTECH was founded with the intention to solve different problems which are linked to automation. It supplies electrical, electronic, servo engineering and informatics materials.

PROMOTECH is a leading Company specialised in the distribution of a wide range of materials required in electrotechnics for MV and LV.

The many years of experience and the familiarity with the problems related to this sector enables us to supply a vast selection and many types of certified products, by means of a thorough qualitative selection. This is in order to satisfy the complex needs of the market and respect the current norms of law. Besides selling products, PROMOTECH also offers companies a nation-wide advice regarding hardware and software in all the sectors mentioned above.

Uffici **Offices**

Dagli uffici commerciali alla sezione amministrativa, fino all'ufficio tecnico: ogni reparto dell'azienda ha acquisito esperienza e capacità nel corso del tempo, grazie alla sinergia ed all'impegno di personale esperto e motivato.

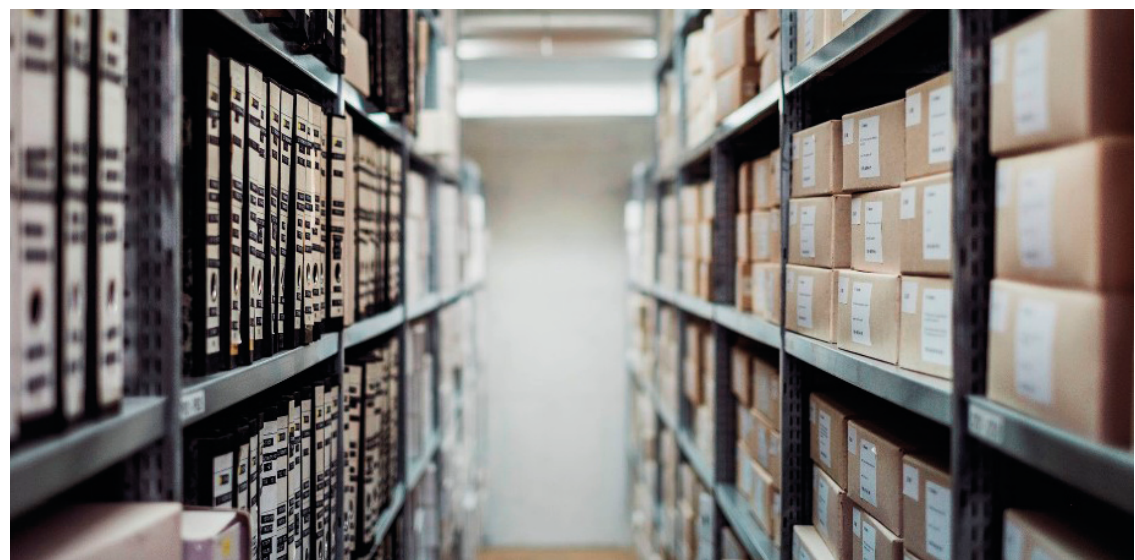

From sales offices to administrative area and technical office, during these years, every service in our company has gained experience and ability thanks to the synergy and the responsibility of a skilled and motivated team.

Magazzino **Warehouse**

Il magazzino è il punto forte dell'azienda: un impressionante numero di pezzi è pronto a soddisfare ogni richiesta. In questo spazio, che si espande di anno in anno, lavorano persone di ottima formazione tecnica, risolutori delle più svariate problematiche.

Our warehouse is the strong point of the company: an immense number of pieces is ready to satisfy every single demand. In this area, becoming larger year after year, people with a great technical education and problem solving ability are working.

Personale Staff

La scelta del personale non è casuale, il “gruppo” Promotech è una vera e propria organizzazione, fatta di professionalità che si complementano per fornire il servizio e l’assistenza migliori. Il nostro è un ambiente dinamico che ha le capacità per guardare lontano.

The choice of our staff is not a random one, Promotech “group” is a real organization where we offer the best services and support with professionalism.

Consegna Delivery

Un plus dell’azienda è sicuramente la consegna, garantita in tempi rapidi. Un servizio capillare è pronto a raggiungere qualsiasi destinazione richiesta: ritardi e disservizi sono parole che non rientrano nel nostro vocabolario.

Delivery is without doubt the plus of our company, always guaranteed in a short time. A detailed service is ready to reach every destination requested: delay and inefficiency don’t belong to our dictionary.

Servizi

Services

Rinnova

Renovate

La grande disponibilità di pezzi presenti nel magazzino, anche di marche fuori commercio, permette di venire incontro a qualsiasi esigenza. Una consulenza in tempi brevissimi è sinonimo di affidabilità e grande capacità di problem solving. È possibile dar nuova vita a qualsiasi macchina, perché l'automazione è nel nostro DNA.

A great availability of pieces in our warehouse including obsolete products, allows us to meet every need. A short time expert advice means reliability and problem solving skill which you can rely on. It is possible to give new life to any machine because automation is in our DNA.

Riparti *Restart*

Il tempo durante il quale una macchina non è in funzione è mancata produzione, quindi costo e perdita di profitto per le aziende.

Per questo Promotech garantisce grazie al suo operato un'immediata assistenza ai propri clienti e soluzione al fermo macchina.

When a machine is not operating it means no production, costs and a loss of profit for companies. For this reason Promotech, thanks to its work, guarantees immediate assistance to its customers and solution to machine stops.

Promotech è altresì punto di riferimento per il servizio di riparazione dei prodotti guasti. Forti di una grande esperienza, riusciamo ad individuare subito il problema all'origine dell'inconveniente e a ripristinare il normale funzionamento del prodotto.

Promotech is also a reference point for repairing service of broken/damaged products. Thanks to our long experience, we can immediately identify the originally problem and reactivate the product regular operation.

Ripara *Repair*

Punto di forza della nostra azienda è la possibilità di reperire prodotti obsoleti a prezzi competitivi.

The strong point of our business is the possibility to find outdated products at competitive prices.

Prodotti obsoleti *Outdated products*
